- \* There were five grave openings (1 cremation & 4 regular): Glenn McKinnis, Helen Leisie, Dave Goehring, Viola Baker and Shirley Engel.
- \* A new mowing tractor was purchased for the church. The old mower was sold.
- \* The driveway (at the back and south side of the church) was paved and paid by the cemetery the church will reimburse part of the cost.

Respectfully submitted by, Richard Magill, Cemetery Administrator

Serving as a Deacon from Plains Church is a blessing. If you are so moved by God's call to serve His Church, I am sure you would find the Deacons work fulfilling.

### Mary-Martha Circle – 2012 Activities

The Mary-Martha Circle meets monthly for fellowship and devotions. All women of the church are Presbyterian women and are invited to join us at any time.

We take desserts to VOICe the first Sunday of each month. The budget allowance for VOICe does not permit them to spend money on dessert items.

In addition to the above we:

- coordinate the Blanket Sunday special offering in May,
- coordinate the Thank Offering in November,
- submit annual dues and the Fellowship of the Least Coin to Presbyterian Women,
- give donations to food banks twice a year,
- gave to the Salvation Army shopping day,
- coordinated refreshments for Coffee Connection in September,
- served a funeral luncheon for Craig Gordon,
- volunteer at Artisan Market Place in the Presbytery Office,
- give shawls and afghans to shut-ins and baby quilts to newborns,
- coordinate lunch-out for Presbyterian women twice a year.

### **Cranberry Nursery School Annual Report 2012**

Prepared by Julie Young, 1/7/13

CNS is an extension and outreach of Plains Presbyterian Church and a ministry of the Christian Education Committee.

There are currently 44 students enrolled in the school. This is an increase of 12 students compared to last year.

There are 5 employees of the school as defined below:

Jonee Mascellino is the returning Nursery teacher

Amy Zugell is the returning Pre-K teacher

Melissa Holcomb is the Nursery aide

Lisa Bender is new this year as the Pre-K aide

Angela Kushner is the director of the school (new role for Angela this year)

### There are 4 class sessions:

Nursery T/Th mornings

Nursery MWF mornings

Pre-K MWF mornings

Pre-K M-Th afternoons (new 4 day program this year)

The school is governed by a school board consisting of 7 church members: Tiffany Aloi, Denise Kremmel, Jackie Leisie, Amy Roscoe, Benji Showers, Maggie Simpson, and Julie Young. The non-voting members of the school board include three parent representatives: Karen Goul, Lisa Ridenour, and Kari Zimmer; and the CNS Director, Angela Kushner. Note that board member changes occur in alignment with the school year and not the calendar year.

Although CNS continues to operate on a tight budget, the improved enrollment numbers this year allowed a \$500 contribution to the church.

School events include orientation at the beginning of the school year, field trips, holiday celebrations, open house, library days, cooking, arts and crafts, science activities, and parent teacher conferences. The school is grateful for the support of the church. More information about the school may be found at the Plains Church website (<a href="www.plainschurch.com">www.plainschurch.com</a>) by clicking on the Nursery School button.

### Pastor's Report

2012 was a time of change for Plains Presbyterian Church. With Rev. Ed retiring and a summer of filling the pulpit with various people, Plains started her journey towards a new chapter in a wonderful volume filled with stories of the great cloud of witnesses. In June of 2012, the session found not one but two people to fill the role as interim, a wise, well-seasoned veteran and a wild card. Guess who they chose? Yes, I am that wild card that is still learning the ropes of what it means to be an interim pastor, and I thank you all (or should that be "y'all") for your patience with me as we all learn and grow in this process of seeking God's call for Plains' next pastor.

2012 saw my first completion of week 1 of interim training at Pittsburgh Theological Seminary. Week 2 will be in March of this year. We also formed the incredible Mission Study Task Force. With the task force came the first congregational survey. The results of the survey and more will be used by the Pastor Nominating Committee as Plains starts her intentional search for her next called pastor.

As moderator of Plains Council (the Book Of Order's new term), the Ruling Elders (another new term) and I (the Teaching Elder) have been working to become the people of God so that we can do the work that God gives us to do by taking more time to share Scripture and prayer together in addition to learning the new titles and more about the new Form of Government (NFOG) found in the Book of Order.

As a pastor, I found my way to NH Passavant to visit with people and to sit with people. This was poignantly the way that 2012 ended for me with the passing of Shirley Engel. It was a holy moment for me that I will never forget. 2012 also found me serving home communion with the elder of the month, Tim Roscoe, and this will be a new practice that I look forward to in 2013.

As a Teaching Elder, I take my role to teach and preach about God's love for us as an incredible honor that God has given me. In addition to preparing items for worship and writing sermons, a Bible study called *God is Closer Than You Think* by John Ortberg was offered on Monday evenings. In 2013, there will be more Bible studies offered in addition to offering Dave Ramsay's Financial Peace University.

Round all of this out with a couple of committee meetings and getting to know a few people and most importantly, precious time spent with the Lord, God Almighty, and I can firmly and confidently say that God is moving at Plains Presbyterian which sometimes can be painful but is always fruitful, especially if we remember to keep our eyes, ears and hearts focused on Him and His purposes for His church.

In His service,

Reverend Kimberly L. Merrill

John 15:16-17

"<sup>16</sup>You did not choose me, but I chose you and appointed you so that you might go and bear fruit—fruit that will last—and so that whatever you ask in my name the Father will give you. <sup>17</sup> This is my command: Love each other."

### Mission Study Task Force Report for Annual Congregational Meeting -Part II

### January 2013

The Mission Study Task Force was organized by the Session to obtain statistical and spiritual information from the congregation to be used for calling a pastor to Plains. Our members are Frank Aloi, Bev Magill, , Tim Roscoe, Maggie Simpson, Melanie Sturrock , Ron Carter as an Alternate and Rev. Kimberly Merrill.

The "W" pastoral search process depicted is the process in which our church will follow to call a pastor to Plains. This process was designed and strongly suggested by the Beaver Butler Presbytery to be used by their churches. Our Session approved and is embracing this search process.

The Mission Study Task Force is to involve the congregation in accomplishing the developmental tasks such as reflecting on history, discovering our new identity and committing to a new direction. The congregation's reflections, visions and spiritual gifts will be gathered through several surveys.

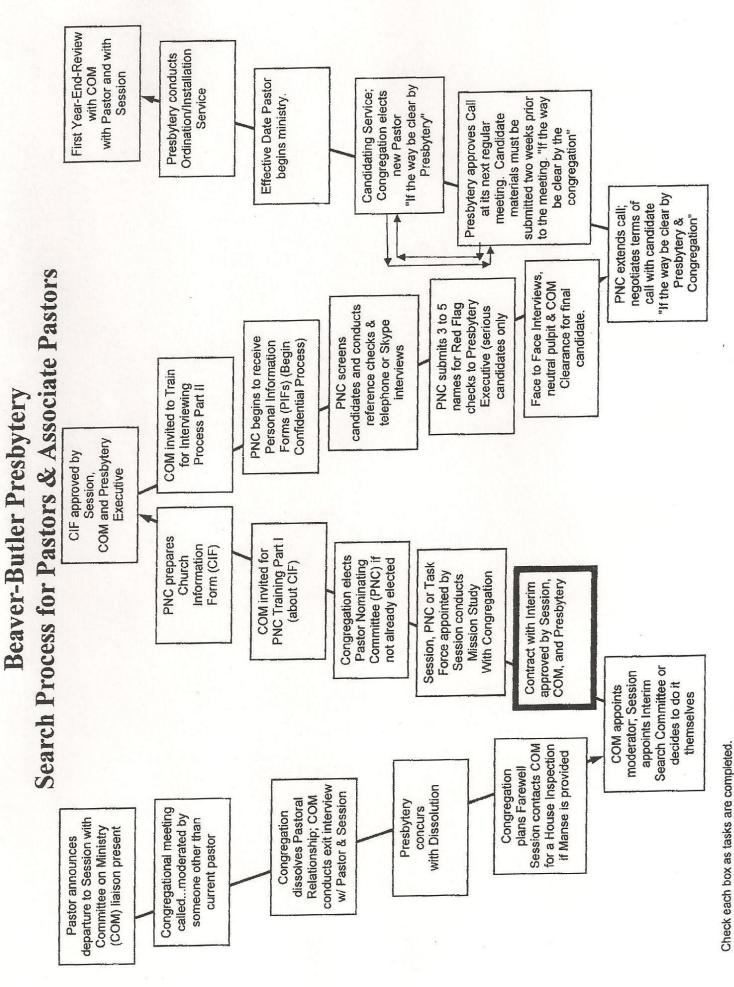

The first survey was the church assessment survey. It was to discern what is important to the congregation and how impactful our church is in nurturing their Christian life. This survey was sent to 120 people including members, non-active members and non-members of Plains. We received 51 surveys. We are presenting the results at this congregational meeting and a copy of the presentation will be distributed at the meeting. To complete this survey, the Mission Task Group will be holding small group discussions with the congregation at this meeting. Conclusions will be drawn from the survey and those discussions.

The second survey will be the Spiritual Gifts survey. This survey will reveal the congregation's spiritual gifts to them and identify the churches collective spiritual gifts to the pastoral candidate. God has given every Christian at least one spiritual gift. Discovering and exercising your God-given spiritual gifts allows you to experience maximum fulfillment with minimum frustration in your Christian life and ministry. In the coming weeks, a survey will be chosen by the Mission Task Force and be presented to the congregation. A special dinner will be held to celebrate your spiritual gifts and share those gifts with each other and the Task Force.

Once we have compiled the results of the surveys and researched the MissionInsite, a census of Cranberry, the Task Force will submit a report to the Pulpit Nominating Committee. Then Step 8-Mission Task Force- in the search process will be completed and the Mission Task Force will be dissolved.

Respectfully submitted,

Melanie Sturrock

- Need more programs for the service. Sometimes they are out of them and I and others do not get one.
- It isn't important that the minister live in the manse but that he/she lives in the area.
- Love Plains Church and its members.
- Children singing is great, also choir does a great job.
- manner that indicates they want to be a part of us while they skills. They also need to be actively involved as part of the Its critical that our next minister has energy and leadership Church family. I know the current practice tends toward staying only a few years, but its important to behave in a are here.

- Check the websites of other area Churches. Plains is sadly lacking and uninviting.
  - Pastor preaches from the Bible.
- We need less food for the body and more food for our spirits.
- Other than Sunday Worship don't know what involvement interim has.
- Haven't felt we have had a pastor who really cared about the Church the way he should since Dean Lavender.
- The Pastor should definitely live within 15 minutes of Church.
- community they serve. It provides a better understanding and The Pastor must live within the district or close to the makes them more available.

- The Holy Spirit provides each person with a gift or gifts.
- We are blessed with our children and need to ensure their continued growth with Christ.

For too long the pastor has had no connection to We have needed pastoral participation and guidance for more forward. Meaningful and well thought out sermons by the Cranberry community and little interest in truly Kimberly have been a blessing.

- Pastor lives in the Cranberry area
- Childrens' church is helpful and a good idea. Youth group is appreciated.
- Childrens' activities are very important for future well being of the Church. I'm concerned about the "liberal" direction of the PCUSA. Would like to see greater emphasis on missions locally and worldwide - great commission.
- after children's message. Please embrace traditional Worship and go over the top with contemporary music. I'd like to see Nursery - should be open at beginning of Church, NOT just the return of the Apostles' Creed..

emphasis should be put on his or her ability to relate to the community in preaching and outreach. Since our past pastors have put too much emphasis on Biblical history preaching · Since we are in the process of picking a new pastor, the bible don't understand a history lesson out of it. Make (sounds like you're in Seminary school listening to a lecture). People are searching for answers. People who don't know the preaching relative to today and membership will increase.

month. Rather than spread this around to a multitude of • Make a real and concrete effort to reach out to church visitors with a Plains Church brochure mailer, a visit from the pastor and a new members class. We also need a definite age (say sixth grade) to have a communicants class. The coffee fellowships should be on the first Sunday of the different committees, we could have one committee whose job would be coffee fellowship. This is an important outreach and fellowship time for the Church. Also, I think that the handshake and greeting time in the middle of the Service disrupts the flow of the Service. Greeting time is before the start or after the Service. This way we can really take time to greet visitors. One more thing, pew pads. Is anyone collecting these and recording the info?
